

Sixth Street
SHELTER

The Sixth Street Shelter is honored
to continue being a guiding light of
HOPE for Lehigh Valley families
experiencing the many challenges
and layers of homelessness.

In an instant, any individual or family can descend into poverty and experience homelessness due to no fault of their own. Experiencing homelessness can result from illness, unstable or unsafe home environments, injustices, exploitation, economic tragedy, and loss of a spouse or home. These devastating occurrences significantly affect our community, its families, children, and our future.

With your help, the Sixth Street Shelter served 50 families in the past year, totaling 116 individuals. 53% are under the age of 10, which includes critical years for brain development.

With your generosity, the Sixth Street Shelter can continue to help families experiencing homelessness navigate food and housing insecurities. Through our short-and long-term transitional housing programs, we supply resources for continued education, reaching vocational and career goals, and resident classes on finances and nutrition.

Due to donors like you who support our non-profit organization's mission, our childrens' and families' dreams, hopes, and desire to contribute can come true.

Together, we can give a voice to our community. By empowering the families we serve, we strengthen and empower their children to deter or break the cycle of generational homelessness.

You have a choice to help advocate that education, safe living, and affordable housing is a human right. You choose how to give, and how much to give. Whether your donations are in-kind, or provided through checks, stocks, wills, 401ks, or recurring donations through our website at **sixthstreetshelter.org**. You will make an impactful difference to our families and our community this holiday season!

Donate Today!

*Happy Holidays from The
Sixth Street Shelter Family!*
